Please provide any materials which might help the selection committee in considering your application. You need not include all the items suggested below, only those which you think best demonstrate the nature and quality of your work.

General Information

Please mail or email any information which might enlighten the committee about your work, i.e. a review copy of your book(s), a link to your website, reviews or articles about your book(s), publicity materials, etc.

Presentation Proposal(s)

Please mail or email a brief proposal of the presentation(s) you would like to offer, i.e. reading, lecture/talk, panel discussion, writing workshop, etc.

Applications will be considered in the timeliest manner possible; however, some final decisions about the presenter lineup may not be made until May 2019. Selection may be based on factors including, but not limited to, date of latest publication, appropriateness to Festival theme (if applicable), balance of genres and topics, geographical considerations, and other factors. Budget and space constraints limit the number of authors invited to participate as presenters.
