1. List the participating humanities scholars and their discussion topics. Rate each speaker excellent (1), good (2), fair (3) or poor (4).
2. What was the attendance? (For research programs, note attendance for all three presentations.) Estimate the percentage of minority, rural and student populations.
3. Explain whether this program met your expectations. If given the chance, what would you do the same and what would you do differently?
4. How did this program benefit your organization? Please provide detail.
5. How did this program benefit your community? Please provide detail.
6. Describe any future plans for this program or similar programs in your community.
7. Please include any additional comments or suggestions.

*Additional questions for **discussion** programs*

8. Were the presenters objective and well-balanced? Explain your response.

9. In what ways did the audience participate?

*Additional questions for **research** programs*

8. What are your final plans for this research program? When do you expect the plans to be completed?

9. Briefly describe the three public presentations of your research.
