Project Director's Evaluation for Research Programs

PROGRAM NAME: _____ GRANT #: _____

SPONSORING ORGANIZATION: _____

PROJECT DIRECTOR: _____

Use the following questions to guide your evaluation. Attach three promotional items used for this program.

1. List the humanities scholars participating and the topic they discussed. Rate each speaker excellent (1), good (2), fair (3) or poor (4).
2. What are the final plans for this research program and have they been fulfilled? If not, when do you expect the plans to be completed?
3. Briefly describe the three public presentations of the research.
4. What was the attendance at the three presentations? Estimate the percentage of minority, rural and student populations in attendance.
5. Did this program meet your expectations and why? If not, what improvements were needed?

6. Describe any future plans for this program or a similar program in your community.

7. Did this program benefit your organization? Include one pleasant surprise and one thing you would have done differently if given the chance pertaining to this program.

8. What is at least one positive outcome of this program in terms of growth in your organization?

9. Please include any additional comments or suggestions.
